WELCOME HOME!

After 8 long weeks, we are finally able to leave our homes "Stay at Home" ordered quarantine due to the coronavirus pandemic. We can once again worship and pray as a church family. This has been a tough 8 weeks for all of us, especially for those who have been alone in their homes, those who have been ill or lost loved ones due to the pandemic. We hope and pray that everyone in our Parish family can return to a healthy and normal life soon. Here is a prayer that can bring strength to our lives.

May you rise up today with the full assurance that God has your back.
He is with you, for you and actively working on your behalf.
He does for you what you cannot do for yourself.
May you do for Him the one thing you can do:
Trust Him with your whole heart and embrace joy along the way!
Grace and peace to you this day!

PIEROGI NEWS

The pierogi program will startup again this Tuesday, May 12. Anyone able and willing to come help is strongly encouraged to be there. We will start at 3pm.

HAPPY MOTHER'S DAY!

Today is Mother's Day and even though we were not able to gather the names of all the Mothers and special women in our lives, both living and deceased, we still remember them in our hearts. Today's Divine Liturgy is being offered for all of them.

THE 5 FINGERS OF PRAYER

1. Your thumb is nearest to you. So begin your prayers by praying for those closest to you. They are the easiest to remember to pray for.

2. The next finger is the pointing finger. Pray for those who teach, instruct, and heal. This includes teachers, doctors, nurses, and priests. They need support and wisdom in pointing others in the right direction. Keep them in your prayers.

3. The next finger is the tallest finger. It reminds us of our leaders. Pray for the president, leaders in business and industry, administrators, and representatives of the media. These people shape our nation and guide public opinion. They need God's guidance.

4. The fourth finger is our ring finger. Surprising to many is the fact that this is our weakest finger, as any piano teacher will testify. It should remind us to pray for those who are weak, in trouble or in pain. They need your prayers day and night. You cannot pray too much for them.

5. And lastly comes our little finger, the smallest finger of all. Which is where we should place ourselves in relation to God and others. As the Bible says, "The least shall be the greatest among you." Your pinkie should remind you to pray for yourself. By the time you have prayed for the other four groups, your own needs will be put into proper perspective and you will be able to pray for yourself more effectively.
