GOD'S CALLING

GOD'S LONGING

To the listening ear I speak, to the waiting heart I come. Sometimes, I may not speak. I may ask you merely to wait in My Presence, to know that I am with you.

Think of the multitudes who thronged Me when I was on Earth, all eager for something. Eager to be healed or taught or fed.

Think as I supplied their many wants, and granted their manifold requests, what it meant to Me, to find amid the crowd, some one or two, who followed Me just to be near Me, just to dwell in My Presence. How some longing of the Eternal Heart was satisfied thereby.

Comfort Me, a while by letting Me know that you would seek Me just to dwell in My Presence, to be near Me, not even for teaching, not for material gain, not even for a message – but for Me. The longing of the human heart to be loved for itself is something caught from the Great Divine Heart.

I bless you. Bow your heads.
