PRAYER OF INCLINATION

Holy Lord, You live on high and yet stoop to look down upon the earth, and with Your divine eyes You see all creatures. Before You we bow down in spirit and body, and we pray You, O Holy of Holies, dwelling and bless us. If we have sinned in any way, either deliberately or through human frailty, forgive us, for You are good; You give us earthly and heavenly blessings, and You alone love all.

For it is You alone who have meercy and save us, and we glorify You, Father, Son, and Holy Spirit, now and forever and ever. Amen.

THE BASICS

When it comes to us establinshing a vibrant prayer life, the basics are few and simple: what, whe, where, how, and why.

Spend 10 minutes a day in conversational prayer.

Most people believe it is most impactful to pray in the morning, but some of us are not morning people, and we don't want that to be the reason you don't persevere with this habit. You can decide on the time that sets you up to succeed, but pick a specific time, put it on your schedule, and stick to it. Make it a nonnegotiable part of your day, a sacred commitment. If something comes up and you need to move your prayer time, move it to earlier in the day; never put it off. Once you put it off, it usually does not ge done.

PRAY FOR THE SICK AND SHUT-INS

Lord God, through the prayers of Mary, Our Mother, bring your healing presence to all who are sick, injured, or troubled. Amen
